Download MediBuddy app
from Play store or App store.

Select “I have a Corporate
Account”

The screen shows a back arrow and the MediBuddy logo at the top. Below is a progress indicator with two circles; the first is filled black and labeled 'Phone Login', and the second is empty and labeled 'Corporate Login'. A text input field contains '+91' followed by 'Your Phone Number'. Below the field is a checked checkbox with the text 'Send me important updates on WhatsApp'. A large blue 'Proceed' button is at the bottom. At the very bottom, there are two links: 'Having trouble signing in? Get help here' and 'Why this step is important? Learn More'.

Enter the registered Mobile Number and click on Proceed

The screen shows a back arrow and the MediBuddy logo at the top. Below is a progress indicator with two circles; the first is filled black and labeled 'Phone Login', and the second is empty and labeled 'Corporate Login'. The text 'Enter: 4 digit OTP' is displayed, followed by 'Sent on: 98'. Below this are four input boxes, each containing the digit '0'. A link 'Resend OTP in 51 seconds.' is positioned below the input boxes. A large blue 'Sign In' button is at the bottom. At the very bottom, there is a link: 'Having trouble signing in? Get help here'.

1. What are the benefits of the services provided?

Unlimited Online Doctor consultations from the comfort of your home across 22 specialties from specialist MD Doctors. 24x7 consultation from anywhere in India. Available for Employee + 5 members.

2. What services are available?

The following services are provided in the health plan:

- Instant Video/Audio/Chat consultation with a qualified specialist doctor across 22 specialties from anywhere in India.
- Ongoing discount applicable on pharmacy
- Lab Tests and Home sample collection with ongoing discount applicable on each booking.

3. What is the procedure to avail consultation for family members?

The steps are as follows-

- Add health problem that the family member is facing
- Select relationship under the heads mentioned in the application.
- Fill in details of the patient including their mobile number. Doctor's call would be directed to that user directly.
- In case of video chat, it is mandatory for the family member to download the application

4. Can family members be added as beneficiaries and get the discounts on lab tests and pharmacy?

Yes, they can avail the discounts but, those benefits are to be booked through the employee's application. In case the employee and a family member are located differently, the employee still has to book the benefits and choose the family member's location.

5. Do we have cap on number of consultations in a given frame of time?

No, there is no cap on the number of consultations per employee. All employees and their family members can avail unlimited consultation.

6. Can I choose the doctor as per my wish?

When a user avails consultation there is an auto-assigned doctor for the first consultation. If the user wants to choose a different doctor, there is an option called "*change doctor*" available for the same consultation.

In case of follow up consultation employee can choose either the doctor they had already consulted or there is option to choose others from the list.

**7. What are the 16 Indian languages in which consultation is happening?**

Hindi, English, Telegu, Kannada, Malayalam, Marathi, Gujarati, Tamil, Bengali, Punjabi, Odia, Konkani, Assamese.

8. What happens when I do not get a response from a Doctor?

You can contact our 24x7 voice and non-voice support- 9999991555 for MediBuddy Gold

9. What are the customer care number?

MediBuddy has 24x7 voice and non-voice support. The user can call 9999991555 or they can write to hello@medibuddy.in
Please find below link for additional FAQ's- https://faq.medibuddy.in/?utm_source=medibuddywebfaq&type=general#/
